I did not hear from them. Do you know if they will be around on the 25th?

Assessment/Conservation

Phil,

did you hear from Tim or Doug here at TNC?

I was on vacation visiting inlaws in Florida and then spent two days in

Wasilla for the MatSu Salmon partnership symposium and now both Tim and Doug are out of the office.

I should be here next Wednesday if want to swing by our office.

Wetland  
Assessment/Conservation

Tim, Doug and Marcus,  
I will be in Anchorage for a meeting on the afternoon of November 25th.  
I am wondering if any or all of you are available that morning to  
discuss wetland conservation around Tyonek, Bristol Bay and the Kenai  
Peninsula and how the we might be able to support each other or  
collaborate with our work.

I would drive up that day, so a 10 to 12 time frame works best for me.

Phil
